## GRAPHIC DESIGNER VISUAL ARTIST CERAMIST

### /ABOUT ME

Graduated in Graphic Design, Illustration and Visual Communication, with more than ten years of experience in the field. My creations have been featured in various products and advertising campaigns, both nationally and internationally, obtaining worldwide recognition.

I have entered, self-taught, into the field of Visual Arts, a world that fascinates me more every day. In addition to dedicating myself to ceramics, drawing, collage, screen printing and photography, which I am passionate about.

Since the beginning of 2019, I have focused exclusively on art, working independently at GAB'S VISUAL ARTIST, where I produce works, design and develop unique and special pieces, without being subject to trends.

Currently, I live and work in the city of Barcelona, Spain.
